<b>B.</b>	<b>Plan Elements Submitted with 5-Year PHA Plans.</b> Required elements for Small PHAs completing this document in years in which the 5-Year Plan is also due. <b>B.2</b>	<p><b>New Activities.</b></p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?</p> <p>Y N</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Hope VI or Choice Neighborhoods.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Mixed Finance Modernization or Development.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Demolition and/or Disposition.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Conversion of Public Housing to Tenant Based Assistance.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Project Based Vouchers.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Units with Approved Vacancies for Modernization.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.</p> <p><b><u>Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD</u></b>  WRHA will continue to research and study the possibilities of converting WRHA's LRPB apartment complexes into either PBV or PBRA. By utilizing the RAD or PBRA programs, it will assist with the potential loss of public housing and subsidized housing due to substantial needed improvements which exceed the current funding. The conversion will also allow for more predictable long-term annual funding by converting these properties to the Section 8 program. By using funds from external sources, it will aid tremendously in the rehabilitation process. WRHA continues to work on making the properties financially and physically viable with the existing funding but understands that greater funding sources will be required. RAD will alleviate the current problematic issues by assisting with moderate rehabilitation, new construction, and the conversion of our properties to Section 8.</p> <p><b><u>Project Based Vouchers</u></b>  WRHA had partnered with SPIN (Supporting People in Need) to project base 25 vouchers. There is a specific population targeted for the vouchers and was to be developed in Hidalgo County. Within the last year, the project gained unfavorable opposition from residents in Lordsburg, so the project is suspended. The project will move forward however a new location will need to be established with the same intentions and targeted population.</p> <p><b><u>Units With Approved Vacancies for Modernization:</u></b> As WRHA continues with rehabilitation of units, WRHA will seek approval from HUD to remove these units from the PHAS count while they are being rehabilitated.</p>
<b>B.3</b>	<p><b>Progress Report.</b></p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p>

	<ul style="list-style-type: none"> <li>WRHA continues to work diligently using CFP money to modernize and renovate units at the Hillside and Valley Vista complexes to compete with other complexes on the open market. WRHA has replaced windows at the Valley Vista complex to make it easier to open and close. This has given the apartments appeal as well as being more functional. The improvements WRHA has implemented have also included removing the old, cracked tiles with newer brighter tile, redoing the stairways with new vinyl and repainting our units with two different color paints to make the unit more comfortable and welcoming. The primary focus has been to employ effective maintenance and management policies to minimize the number of Public Housing units vacant and reduce the turnover time. The Pyramid Village complex continues to be a challenge, the repairs have proven to be extensive and beyond the scope of repair with the current capital funding level. Currently, the waiting list for this complex is closed to ensure we can maintain safe, sanitary, and decent housing for our current tenants, The strategy is to take all the dilapidated units offline, while upkeeping the adequate units. It has become apparent the extensive repairs and demise of these units cannot be remedied by the current CFP funding. WRHA will accumulate the CFP funding in the hopes once the RAD conversion is initiated, we have the required financing required to move forward. WRHA is in the initial stages of RAD conversion. There have been community meetings with residents to inform them of the upcoming changes and upcoming improvements to their dwelling units. At this time, we are creating the RFP for Development Partner Services.</li> <li>Our agency has consistently maintained the highest occupancy in its Voucher program, fully utilizing authorized budget authority, and has revamped its policies and procedures to maximize efficiency and clarity. We closely monitor the utilization of the Section 8 Voucher Program to ensure that when funds are available, we can promptly service waiting list applicants. However, due to an influx of residents utilizing our Portability option, Western Regional has gone in to shortfall. The short fall has caused unprecedented issues and WRHA is working diligently to alleviate this issue. We are still accepting applications but not allocating new vouchers. Currently a tenant wishing to go portable to another agency is now required to port to an area that is lower cost, or the Housing Authority must put it in writing they will absorb the Voucher. WRHA has increased the Payment Standards to ensure Voucher holders have opportunities to increase mobility within our community. The Section 8 staff continue to monitor the "Rent Reasonableness Analysis" process. Compliance with the process will be monitored and verified quarterly at the minimum. Once out of short fall protocol, WRHA will continue to enforce cost-saving measures to avoid reverting in to shortfall.</li> <li>WRHA complies with affirmative action measures as reinforced in the Fair Housing policy of the HA to ensure that the admissions to and occupancy of all programs is conducted without regard to race, color, religion, national origin, sex, familial status, disability, sexual orientation, and gender identity. During counseling with Section 8 participants, we focus on the location of units outside of poverty or minority concentration. We also invite Landlords outside the poverty or minority areas to utilize the Section 8 Program to expand our programs into those areas. WRHA also provides regular fair housing training to supervisors and staff. Section 8 and LRP participants are also provided the most current information on fair housing and equal opportunity at the time of their briefing.</li> <li>WRHA has worked toward being readily available to tenants and families to provide customer service that will allow for our residents, applicants, and participants to feel comfortable engaging with staff. We feel it is important to establish an open door/open communication to provide the best service and to run our agency more effectively.</li> </ul>
